"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are thought many an evil deed or impure thought many e directly traced to the impure yof the blood Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It enriches and purifies the blood thereby ruring, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

•••• In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery "has performed the most marvelous cures. In cases of old sores, or open eating ulcers, It is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery "as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery." 0 0 0 0

You can't afford to accept any medicine of unknown composition as a substitute having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

A Reliable CATAKK Remedy Ely's Cream Balm is quickly absorbed. Cives Relief at Once. It cleanses, soothes, neals and protects the diseased membrane resulting from Catarrh and drives away a Cold in the Head quickly. Re- HAY FEVER Taste and Smell. Full size 50 cts., at Drug gists or by mail. In liquid form, 75 cents

CLAIMS FOR DAMAGES. "Unless the Senate will agree to a

reasonable omnibus war claims bill, there will be netning of this kind in the Hen. tas year. The Senitiwa ti to passa bill calling for the expendure of somehing like \$3,000,009, which, under t e present financia condition of the country s too large. Unless th Sin t willar e to cut it bill very materially there will ne no such measure coming from the House this year." This was t extetsment made by Representative Law, of New York, chairman of the House committe on war claims Wednesday in answer to a query as to when his committee would report its bill.

There is no other bill, with prhass he exception of that on rivers and barbors, that is of more general interest to the people of Virginia it this time than the omnibus war claims bill. In this bill are contribed hundreds of items asking for appropriations for the loss to or destruction of property belonging to southerners during the civil war by union soldiers.

The following Virginia claims will be thrown out if no bill is passed this

THAWING FROZEN PIPES. The fact that thawing frozen water pipes caused many fires during the cold snap recalls directions recently given by a farm journal for the thawing of frozen pipes without the use of fire, which nearly always causes trouble. Procure un-lacked lime and rack it around the pipe where froz-p. Moisten the lime and cover it well, and it will generate heat which will quickly melt the ice. The plan is inexpensive, and is attended with no danger, and it would save the taxpayers the expense of many runs by the fire department,-[Rochester Herald.]
